

NAVY PROGRAM:

Ninety-six V-12 trainees now at T.C.U. will be transferred July 1st to various types of advanced training. The largest single group is made up of the students who enter their fifth and sixth terms in July.

These men will be replaced by men from the fleet and men from other V-12 Units.

Nearly all of the trainees at T.C.U. in July will be in two groups: the fully prescribed curriculum 101 and a modified curriculum 411.

The heads of the departments most seriously affected have been consulted and are making the necessary changes in schedules and staff memberships.

Signed,

W. M. Linton
