

INSTRUCTORS:

If a student for whom you have an "Admit-to-Class" card ceases to attend class and you do not receive an official drop card for him, please call the Registrar's Office to find out whether he has dropped officially. Please do not mark him "dropped" on the report sheet unless you have an official drop card.

PLEASE NOTE:

Teachers who have not had Navy V-12 men in their classes before are advised that a report on absences is due each week on Friday. Turn these in at the registrar's Office. All teachers are reminded to send these in regularly. This is very important.

STUDENT COUNCIL PRESENTS--

The Student Council is bringing Dr. J.M. Dawson, Chairman of the Committee on World Peace, to the campus on August 9th. Mr. Dawson, a Waco man, who was the official representative of the Baptist Churches at the San Francisco Conference, will make an address in our auditorium at 11 A.M. on August 9th. The support of the faculty in making this meeting successful is particularly urged.

Katherine Norton,
Sponsor, Student Council

Please arrange your class work in such a way as to be able to dismiss immediately when the first bell rings.
