NOTICE TO THE FACULTY:

There will be an important general faculty meeting in the chemistry lecture room at 4 o'clock Monday afternoon, January 21. Dr. John L. Davis, who led us in a most interesting session on his previous visit to our campus, will be present. Please attend this meeting if you possibly can.

M. E. Sadler, President
Texas Christian University

PUBLIC LIBRARY

Mr. Jerry Myers in charge of Extension Service of the Fort Worth Public Library was on the campus this week and invited members of the staff and their students at T.C.U. to attend the showing of any of the educational films scheduled at the library beginning January 22 at 7:30. Titles will be announced in the daily papers. Mr. Myers repeated the invitation to the faculty and students to make use of the Public Library facilities.

Jerome Moore, Dean
Add-Ran College of Arts and Sciences

PLEASE ANNOUNCE IN YOUR CLASS

Time will be saved at the time of registration if every department head will urge his majors to check their Petition Sheets with the Registrar within the next ten days. Students who have not declared their majors and minors should do so immediately.

To all teachers who turned in their grades on time a vote of thanks is extended by the Registrar's office staff.

We note that some teachers hold out their grades hoping for students to take late exams before the grades are to be turned in. This is not good practice for the dead line on completing the mid-trimester grade is designated and delay is caused all along the line when the above practice prevails. Late examinations either at mid-trimester or at the end of the trimester call for a \$2.00 fee unless caused by illness.

Every registration must pass through the Registrar's office. Every transaction relating to registration, dropping or adding a course must pass through the same route. Otherwise confusion will arise.

S. W. Hutton, Registrar

SPECIAL INVITATION

Mrs. Sherwood Avery will review THE ANATOMY OF PEACE by Emery Reeves, January 23, in Ann Shelton Hall of the Woman's Club at 8:00 o'clock. The Fort Worth Zonta Club is sponsoring this review and is inviting the public to attend. There is no charge.

(continued on Page 2)

Special Invitation (cont.)

Mrs. Avery was mentioned in TIME magazine as one of three outstanding book reviewers in this country. I have been asked to extend to the faculty of T.C.U. and their friends this special invitation to attend this review. The men will find as much interest in this review as the women.
