THIS IS THE EIGHTH WEEK OF THE SPRING TRIMESTER

Every teacher is urgently requested to keep in mind and give full cooperation in the following matters -

1. In line with advanced notice given in the Faculty Bulletin of April 4, this is the closing week of the first half of the Spring Trimester. No formal schedule of examinations has been planned.

2/ Mid-Trimester grades are to be reported to the Registrar's Office Saturday morning, April 27. Both grade sheets and grade cards are to be turned in. Take time, please, to be accurate in your reports.

3. Kindly post your grades on the Bulletin board near your office or class room that your students may know their grades at the earliest possible moment. Please do not send them to the Registrar's Office for their grades for it would take the time of one person to give them out. Thanks!

4. Prompt and complete returns will be doubly appreciated for reports are to be sent out to our patrons who press for early grade reports. You will be glad to do your share in making this possible.

5. Please remember the word given at opening of the Trimester and repeated later that every teacher must have in hand an "Admit to Class" card for every student taught.

S. . . Hutton, Registrar

JOIN NOW!

Faculty members interested in joining the Fort Worth Film Club can get membership cards from Paul Dinkins, English department. This club, which is under the sponsorship of the Fort Worth Art Association, will present--for its members only--at least ten foreign or top-quality American movies during the next year. The fee is \$2.50: and the place of showing is the lecture hall of the public library. First presentation(May 1st) will be the French film Crime and Punishment, based on Dostoevsky's novel and starring the famous continental actor, Harry Baur. Like all foreign films to be shown, it is provided with english sub-titles. Dallas has had a similar project (The Civic Federation) for years, and with great success.

TO ALL DEPARTMENT HEADS:

Book list have been in your offices for a week. We would greatly appreciate your returning them to the Bookstore by May 2. It will be necessary to place our orders for the summer term by May 10 to insure delivery. Please fill in the blanks completely.

Also, list any special notebooks and supplies your department will need for the coming semester. The shortage on paper and labor is making it difficult to secure immediate delivery on supplies as well as books.

2 Thank you for your cooperation.
