THANKS FOR YOUR CONSIDERATION

The Registrar's Office is grateful for the follow-up work of the teachers in making sure each student is matched by an "Admit to Class" card in hand. There are still a number of students attending class without clearing this matter.

No teacher is permitted to retain a student in class without the proper credentials (an "Admit to Class" card stamped by the Business Office.)

Where a student has registered for a course then changes to another for any good reason the record must pass through the Registrar's Office. Please do not change the course and number. It confuses the records .

It is now too late to add a course. After October 26th the drop card signed by the teacher must show WF-"withdrew failing" or WP-"withdrew passing".

The following boys will be absent from all classes Thursday, Friday, and Saturday, October 10, 11, and 12, in order to participate in the football game with Tulsa University at Tulsa, Oklahoma.
