

THANKSGIVING HOLIDAYS:

A three-day Thanksgiving holiday, was declared for T.C.U. Wednesday afternoon by the Deans' Council. This will include Thursday, Friday, and Saturday, November 28, 29, 30.

REGISTRATION PLANS

A reasonable agreement was reached in the Deans' Council last Wednesday providing for four days of registration at the opening of the Spring Semester. Returning students will be registered first, the students will appear by letter beginning with Z instead of A, on a detailed schedule to be announced later. Therefore, there will be no pre-registration, however, every dean and department head may work out ahead of time a schedule for his majors using the Course Card available for this purpose. This will save time at the regular registration time.

S. W. Hutton, Registrar
