

MID-SEMESTER

Mid-Semester Examinations are to be given at the discretion of the teacher and the grades are due in the Registrar's Office not later than 9:00 A.M. Monday, November 18.

For information of students please post the grades of your students on a bulletin board near your department office. This is very essential for it is not possible to give out the grades over the desk at the Registrar's Office.

Blanks are available in the Registrar's Office for use in reporting grades.

S. W. Hutton, Registrar

ATTENTION

When you pick up your mimeograph material, be sure that you do not take away material belonging to other departments. Please check your material before leaving the Business Office with it.

CONCERNING NEW STUDENT EXPECTED

In order to help the departments to estimate the number of books needed for each course for the Spring semester, I am giving you the following information: We expect about 500 new day students (75% will be freshmen) to enter for the Spring semester. You can estimate the percentage of this number who will enter a certain course by comparison with the number who entered the course in the present semester when we have about 2900 day students.

TO ALL DEPARTMENT HEADS

PLEASE - PLEASE - PLEASE get your order lists for the Spring Semester completed and turned in to the Bookstore at once. We appreciate the fact that it is difficult to estimate enrollment until final plans for the spring semester are completed. However, books orders must go in by the middle of November at the latest if we are to plan on having the greater percentage of books on the shelves when the spring semester opens.

If any department head has not received order blanks from the Bookstore, please notify us at once. If you need any additional blanks, come by the Bookstore.
