Mr. Morning,
77 West Tenth.

Dear Sir:-

Your letter of Sept 20th to hand,
and contents fully noted, and in
reply will say you are perfectly
welcome to keep the Photo, as I had one
dozen of them made, also will notify you
in advance of my next trip over, and
will bring Specimen when I come, and
let you look it over, I also note in
your letter where to find you at your
Wholesale house etc,

Yours truly,

L. D. Bertillion

P.S. You mentioned my failure to
state weight of Specimen, I had stated
that approximately in my ad, as 45 lbs,
but to be exact it is 45 1/2 pounds
