Oscar E. Monnig,
312 W. Leuda St.,
Ft. Worth, Texas.

Dear Mr. Monnig:-

In regard to your letter of the 14th I might mention that I have not known of the stoney meteor of Pecks Lake in Midland county until you mentioned the matter.

I shall keep the matter in mind the next time I have the opportunity of talking with "Chick", and it is possible that I might get some information that can be passed on to you.

Very truly yours,

M. E. Roberts

M. E. Roberts.
