Visit to Chandler because of a message that there had been a death. Call to man in McKinney revealed that Mrs. Chandler had been killed crossing road to mail box. This train never were meeting there + Mrs. Morgan, of McKinney, one of them, said she had phoned the morning. She was very talkative + her husband a large man very quiet.

Other train Mrs. Wall; husband is with Federal Reserve.

Chandler still has mementos and wanted he would let me have it if he can give credit for it.
