

**Allen, TX (M30.1)**

A dark, irregularly shaped rock specimen is positioned on a light-colored wooden surface. Below the rock is a white rectangular label with the text "Allen, TX (M30.1)". At the bottom of the image, a ruler is laid out horizontally, showing measurements in inches and centimeters. The rock is roughly triangular in shape with jagged edges and a dark, possibly black or very dark grey, color. The wooden surface consists of vertical planks.
