

RODEWAY INN

McAllen, Texas.

May 29, 1983

Dear Mr. Mornig;

I am sending you these meteorites for approval as we agreed over the telephone:

- 2 slabs of the "Tobuca" iron meteorite.
- 1 individual of the "Allende" meteorite weighing 1,011.5 grams. →

- and a small slab of the
"Allende" meteorite that
was found in 1981!

I want \$500⁰⁰ Dlls. for
each slab and 60¢ a
gram for the "Allende"

Please write me at the
Dawell's address:

P. S. Mr. MOWNIG:

Please call me or
write me in Monterey
in case you're interested
in more of the "Allende"
meteorites. I could take
a trip over to Chihuahua
and try to get a few
more (maybe!)
