Dever, CO 80209
U.S.

Dear Anne M. Black,

Beginning of October 2009, I verbally confirmed to you that all samples of Almahata Sitta which you received from me do have an export license.

With this letter I would like to confirm in written form that the above mentioned samples of Almahata Sitta without exception were exported from Sudan with an official export license.

Best regards

A handwritten signature in blue ink that reads "Siegfried Haberer". The signature is written in a cursive style.

(Siegfried Haberer)
