Dear Sir:

I am very sorry I could not  
promise to stay home Sunday but my wife had  
made other plans and I could not contact  
her for <sup>other</sup> plans. I am at home most of  
the time especially early and late in the  
day as I am dairying and soon I will be  
harvesting wheat ~~and~~ I have wheat  
both North and South of the house if you  
come and I am not here.

Any time you write me I will stay home  
week days or Sundays or if I can't I will  
call you back (you give me your Phone No.)

If you want to contact me by phone  
my wife work at Jewell Colliers Beauty  
Shop phone No 4198 Chickasha and  
she leaves about 4:00 in the afternoon  
So if you call her the day before you come  
I will be here

The University of Okla told me they thought  
this was a single Meteorite is why I told you  
what I did  
Truly Yours
