Dear Dr. Monnig:

We wish to thank you very much for your letter of March 17 ordering the large Arispe meteorite. We have sent this specimen by the C&M Forwarding Company which will deliver it to your store. This is the least expensive means of transportation and we hope that it will arrive shortly in good order.

This is the first large meteorite that we have had in some time and we are very pleased that it will be added to your very fine collection.

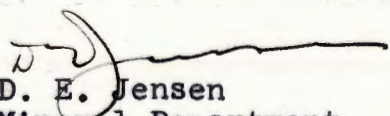

We are enclosing a price list of the other meteorites which we now have on hand and would be very pleased to send you any of these that you might be interested in obtaining.

Many thanks again for your continued patronage.

Sincerely yours

WARD'S NATURAL SCIENCE ESTABLISHMENT, INC.
