

Dear Sir. Sept. 20~~th~~th 1915

My husband was en route
to Wynnielwood Orela
Monday eve just at a little
after sundown he saw
a ball of fire falling
due east of us we were
1 mile north of Wynnielwood
at the time

I thought no more about
it until I seen in the
paper you were trying
to locate a meteor which
fell Monday. the ball of
fire he saw might have
been the meteor you
are trying to find.
