

Was the chip of meteorite sent in from Lawrence,
Kan. in May 1963 from your stone No. 1 or 2?

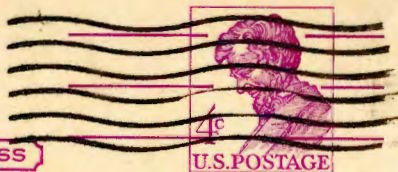

No, not to our knowledge.

If not, do you know of any one in that region who
found a third meteorite? No.

Feb. 15, 1965

Mr. Monning:

I'm sending this on. Elvin has
been meaning to but wants to write
to you and has put it off.
Mrs. Phipps
