Fort Worth 15, Texas

Dear Oscar:

Possibly I will be going West around the 17th of this month. If I can arrange to pass through Fort Worth on the week-end of the 18th or 19th, would you have some free time? If you are off tracking down a meteorite fall, I will understand. Would like to have you bring me up-to-date on the last of your hunts.

Do not know the hour of my arrival in Fort Worth, but will let you know just as soon as I have it pinned down. If I get there at a reasonable hour of the day, I will check in at the Hotel Texas. Think that is where I stayed on my last visit.

Cordially yours,

*E. P.*
