Dear Mr. Monig,

I've been slow in answering your last letter but I'm sure you know how that is! I was in Fort Worth about a week ago, but we were trying to buy a piano and I couldn't seem to find enough time to come by to talk with you.

I was pleased to learn that you had a successful find again. I think that if we keep trying, we will do better still. I have not had an opportunity to hunt since I last saw you but I'll be going again soon and will let you know if I have any luck.

The \$15 you suggested for the last one will be fine with me, and if I ever find the "big boy" I'll see that you get it.

I was in the Cherry Mound Community Sunday ⁽²⁾
and spotted some pretty good fields to hunt
in. I'll keep going out every chance I get and
anytime you can come over I'll be glad to
hunt with you again. Rain kept me in this
week-end. Please let me hear from you
and I'll be expecting you over again soon.

Yours Sincerely,
Walter
