Belle Texas

Mr. Manning

In regards to the Melanots
if you are in this District
have some stamens would like
you to collect ones
will try to describe, some
are light brown in color
and shaped similar to an
egg and about the size of
a small egg awfully hard
seems to be white under the
light brown color have some
small pieces on black

I am located 3 miles from Belle
on Ambrase Road. will be
home Sunday
