Mr. B. F. Hanna,  
Route 1,  
Bells, Texas

Dear Mr. Hanna:

I am still interested in getting that shingle off the roof—the one the meteorite hit.

If you have got it or can get it, write me when you have it and I'll come up some week end to obtain it. I'll be glad to pay you for your time and trouble in getting this. I do not think the people who own the house will care if one is properly put back in place. I have talked to a number of the Washburn's and they were all very kind to me.

With best regard to you and your folks, I am

Yours sincerely,
