

Dear Sir,

I saw the light of the meteor, I'm pretty sure-
between 10 and 10:15^{PM} o'clock. Our south window and
then west windows got bright as day..Our place is
SE of Denison and S. & W. of the Carpenters Bluff
area where you have been hunting..Evidently a good
bit of that meteor fell out this way. Several small
boys out this way. You might enlist their aid in
hunting for the pieces!

The Denison Herald spells your name MONNIG but
I spell it with three N's. Wonder which is right!
I've seen your ads in papers for years and have
seen the name on front of your store and on pkgs.
I bought at your store and wager that I'm right!

Our place is on Des Voigne Road, 1 mi. S. of No.
2 Pressleys Garage, on Hgwy. 69 & D. V. Rd. Easy
to find us....Respt., M. L. Lannom, Rte. 3, Denison.

THIS SIDE OF CARD IS FOR ADDRESS
