Mr. Otto Monnig
Monnig Department Store
Fort Worth, Texas

Dear Mr. Monnig:

I have in my possession a rock which I have reason to believe might be a part of the meteor which fell last fall.

I read the article in the Star Telegram in which your interest in these things was discussed. I have intended contacting you since that time but have been negligent about doing so.

My husband and I are both members of the Decatur Elementary School. We would be glad for you to express your opinion concerning the rock at some convenient time.

Our phone numbers are;

School Ma 7-3332
Home Ma 7-2897

Yours truly,

Mrs. G. C. Rann
