March 14, 1955

Mr. C.C. Pinckney,
Birmingham, Alabama

Dear Mr. Pinckney:

I have your letter of March 1. I am sorry that I am not able to secure any more information for Mrs. Moning concerning the meteorite.

I am sure no record of any kind was made since the child didn't seem to think too much of, or about it and it fell on a farm out from Hope.

If I can secure further data I will be happy to send it to you.

Give my best wishes to Mrs. Pinckney. Thank you.

Sincerely,
Mrs. H. O. Chitwood
