Dear Art:

Thank you so much for your note. Although the manuscript on pallasites is essentially finished, I have not been able to find anyone interested in publishing it. I have made Xerox copies of the photographs you so kindly sent, and which are returned herewith. I will keep these on hand, and if the project becomes a reality I may ask to borrow the photographs again if this would be acceptable to you. I really appreciate your help!

All good wishes and thank you again.

Sincerely,

Q. David Bowers
