Dear Mr. Monnig:

I received your letter dated January 8, 1970 and received in my office on the 12th.

I have enclosed a hand drawing of where the fireball was according to where I was standing.

I hope that this will be of help to you, and that you can reach the conclusions that you hoped to reach from it.

If I can be of further help to you please do not hesitate to call on me.

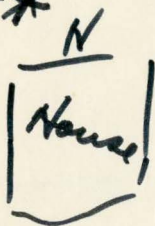

Sincerely,
