

IN PREPARATION FOR THE SPRING SEMESTER

Plans are under way to speed up the spring registration and to get ready for this procedure weeks ahead of time. Department heads can help greatly in this matter by urging students majoring in their departments to make sure their petition sheets are ready. Please follow through systematically.

1. Urge students who are juniors or seniors, and who have not requested petition sheets, to do this immediately. This saves rush and inaccuracy during the days of registration.
2. Urge students who have problems in relation to their majors and minors, or who are changing to care for this at once.
3. All of these items must be cleared within the next week.

This is the first step. Further details will follow later.

ANNOUNCEMENT FROM THE DEPARTMENT OF MUSIC

On Monday afternoon, November 2, at 4:30 o'clock, Miss Charlotte-June Stevenson, flutist, and Mr. Keith Mixson, pianist, will play a sonata recital in the University Auditorium. The public is invited.

On Tuesday evening, November 4, at 8:00 o'clock, the University Symphony Orchestra and the University Choral Club will give a joint concert, commemorating the one-hundredth anniversary of the death of Felix Mendelssohn. Actually, these organizations have outgrown the size of our present stage. However, we wanted particularly to give the first concert of the year on the campus. While the Orchestra will be seated partially on the floor, we have had auditions check the auditorium from every angle and the acoustical results are reported as good to excellent. Some 250 seats will be available. The balcony is also available. There is no admission charge. The faculty is invited, and we will appreciate any announcements which can be made before your classes.
