

FACULTY BULLETIN

VOL. XXII

November 6, 1947

No. 7

MID-SEMESTER GRADES

The previous faculty bulletin indicated that only "F" grades will be reported at mid-semester. This report will be due in the Registrar's Office at nine o'clock, Monday, November 17. The attached form is the special form upon which these "F" grades will be reported. The forms are now available at the Registrar's Office.

Individual faculty members or departments may secure the forms at the office or make their needs known and we will gladly send them through faculty mail. No random distribution will be made because we do not feel that such a method will provide adequate supplies in all cases.

TO DEPARTMENT HEADS:

Blanks for book orders for the Spring Semester have been sent to you in the Inter-Office mail. If you do not receive your blanks please check with the Bookstore immediately. As soon as your orders come in the books will be ordered.

Please return the filled in blanks as soon as possible so our spring orders will be filled by the various publishers. All orders should come in on the regulation blank signed by the Department Head. Additional blanks may be obtained at the Bookstore.

Thank you for your cooperation.

Louise Rumely, Manager
T. C. U. Bookstore

TO THE HEADS OF DEPARTMENTS

Not all Spring schedules have been turned in. Please have these in my office by November 15 at the latest.

Dean Jerome Moore

TO THE INSTRUCTIONAL STAFF

Please read carefully the recent communication concerning grants from the fund of the Carnegie Foundation for the Advancement of Teaching. Application blanks are available in my office. All applications to be approved this Fall must be in my office by November 15.

Jerome Moore, Chairman
For the Faculty Research Committee

TO FACULTY SPONSORS OF CAMPUS ORGANIZATIONS:

We regret that we have not been able to let the representatives of some organizations check the permanent cards of students for grades lately because we have had too many persons working in the Recording Room at one time. In view of the ever increasing number of organizations that need to know the grades of students to determine their eligibility for their organization and the congestion in the Recording Room the following procedure will be followed in the future. Faculty sponsors will send to the Registrar's Office a list of the students to be checked at least a week or ten days before the information is needed. The date the information is needed should be indicated on the list. We will then prepare the data as directed by the date noted on the list and it may then be picked up at that time.

S. W. Kutton, Registrar

It will be necessary for the following students to miss classes on Nov. 11th from 9:45 until 1:00 in order that they might participate in the Armistice Day Parade:

F. R. Woodard	Bruce Vincent	Charles L. Sherwood
Lawrence Davis	Harry Apetz	John B. Stegall
