

AUDIO-VISUAL EDUCATION

The University committee on Audio-Visual Education, of which Dean Holsapple is chairman, has equipment that may be used for instructional purposes. Brite 304, the Club Room, has been arranged for projection, and is reserved for this use. The room and equipment may be reserved by any teacher. Dean Lindley's office schedules the room from 8:00 AM until 5:00 PM, and Dean Holsapple's office during the evening hours. Film strip, opaque, and slide projectors are available, as well as a 16mm sound machine. Other members of the committee are Mr. Winton, Dr. Nunn, Miss Emert, and Mrs. Singleton.

PRE-REGISTRATION PROGRESS

Pre-Registration continues with satisfactory cooperation. Problems are being faced as they arise. If any member of the staff is holding Pre-Registration Course Cards, these must be turned in by Saturday noon. No further time can be spent on Pre-Registration after December 13. A count will be made and a summary of this procedure will be given in the Faculty Bulletin next week. Thank you heartily for your cooperation.

S. W. Hutton, Registrar

THE INTERNATIONAL CHRISTMAS FESTIVAL

An International Christmas Festival will be presented by the United Religious Council of T. C. U., next Wednesday, December 17th, in the school auditorium, at 7:00 o'clock in the evening. Dr. William Robinson, visiting professor from England, will be the speaker. This will be the only chance for members of the liberal arts faculty to hear Dr. Robinson, as he leaves for England at the end of the Present Semester.

Members of the German, French and Spanish departments will participate, as will some of our Nationals from China, the Philippines, and Germany. There will be Christmas Caroling for everyone. You will enjoy this program. Please urge your students to attend. The students like to see faculty members have an interest in their affairs. Let's have a large faculty turn-out. Bring your families.

Don J. Ver Duin,
Director of Religious Activities

The following students will miss 11:00 until 1:00 o'clock classes on Tuesday, December 9th in order that they may play for the Annual Lions Club "Frog Day" dinner at Hotel Texas. This is an official excuse and the students must be given a chance to make up the work missed.
