

PLEASE REFER

Please read again the three paragraphs at the top of last week's Faculty Bulletin regarding Mid-Semester grades.

"I" GRADES AGAIN

Pardon the repeated mention of "I" grades, but it must be done. No teacher is to receive any type of work to clear an "I" grade until the student has presented a "Permit" from the Registrar's Office. The dead line date passed March 1st.

ADVANCED REGISTRATION

Advanced registration will be permitted and definitely arranged for in May in preparation for the Summer Term. Watch the Faculty Bulletin for the dates and the routine.

LIST OF CANDIDATES FOR JUNE GRADUATION

Watch the Skiff and the daily papers for a tentative list of candidates for June graduation to appear this next week or shortly thereafter. This list has been compiled and worked out in detail from lists submitted by deans, department heads, and from the petition sheet file. The list is not final. Corrections will be made where necessary to make the list accurate and complete.
