

A VERY IMPORTANT NOTICE ! ! ! ! !

Please refer to your Faculty Bulletin of May 6 for the Examination Schedule. Kindly follow the instructions given and remember to note opposite each student's name the number of absences during the semester. This is imperative in the light of a check on the grading routine and to give Dr. Richardson data for report to the Veterans Administration.

Examinations on Seniors and Graduate Students scheduled to complete their work for degrees in June are to be given on the regular schedule of examinations through May 31, June 1 and 2. If their regular exams come later than June 2, these may be given at the discretion of the teachers. Class attendance is expected of all Seniors through May 29.

Grades on all graduating June 6, must be in the Registrar's Office by 9:00 A.M., Thursday, June 3, on the list published in the Faculty Bulletin of May 13. We must have a chance to process these grades. This will be more difficult than ever this time because of the 325 candidates for graduation.

S. W. Hutton, Registrar

TO ALL DEPARTMENT HEADS:

If the pre-registration count in any of your department's classes differs to some extent from the number originally planned please check with the Bookstore at once. It may be necessary to increase some of the orders in order to insure a sufficient number of books to meet the coming demand.

Also, if your department will be using any texts during the fall '48 semester that are being used now but will not be used during the summer sessions, please advise us. A second hand book dealer from Wilcox and Fellest will be at the Bookstore June 3, 4, and 5 to buy books no longer used at T.C.U. Unless we have official word from a Department we will not buy books back. Your cooperation in indicating continued use of texts this fall semester will aid us in keeping our stock up. It will also benefit the students since they receive more for books we buy back than the Wilcox and Fellest representative is able to pay.
