Dear Mr. Monnig:

Dr. Henderson of the Division of Meteorites has advised me that he inadvertantly accessioned your specimen of the Tishomingo, Oklahoma, meteorite as a gift from you.

In response to your letter of November 27, 1966 we have followed your request and have cancelled the accession.

At present your specimen is being displayed in the Meteorite Hall, and we would be very grateful if you would be willing to make a formal loan to us so that we may continue to display this unique meteorite.

Sincerely yours,

Richard S. Cowan  
Director  
Museum of Natural History
