Mr. Glen Orr,
Route 2
Tishomingo, Okla. 73460

Dear Glen:

I was sorry I missed you yesterday, but I am glad you got in your afternoon of flying. We were royally entertained by the rest of your family, whose time we took up for the whole afternoon. Do thank them for me and for my wife. We appreciated the attention, and it is interesting to talk to all of them and see your very attractively improved home.

I left you father \$500 to apply on the meteorites, and with the \$500 I gave you before, this makes a total payment of \$1,000. I owe you a balance of \$1,500. I can handle this as you wish.

I think it might be better for you if I did not send a check, but I can do so without any difficulty on my part. Or if you prefer I can come up there again soon and bring all or any part of the balance. You decide and let me know.

I will be out of pocket next week-end because we are flying a group of our salesmen to North Carolina to see a hosiery mill, but I could come up shortly after that time. Tuesdays or Thursday are my best week days to take off if I couldn't come on a week-end.

I am glad you have a phone and they gave me the number. You can call me if you wish. My home phone is 817 AX3- 0349.

I hope you soon get your flying course successfully completed with a good grade, and congratulate you on the progress made. I did not get to see Jenna (did I spell it right?) but tell her hello for me.

Sincerely,
