

June 8 1968

This is a memorandum of an agreement between
Glen Orr of Tishomingo and Oscar Morning of
Ft. Worth.

Glen Orr has 2 iron meteorites in his possession
weighing about 214 pounds and 360 pounds and
herely agrees to let Morning take these to Ft.
Worth for museum exhibit.

Tentatively Orr agrees to sell these to Morning who
is today making a five hundred dollar deposit thereon,
receipt of which is herely acknowledged, but Orr
at this time reserves the right to refund this payment
and any other future ones and cancel the sale,
in which event Morning agrees to return the meteorite
to Orr at Tishomingo.
