Mr. W. Cooke,
Atoka, Oklahoma.

Dear Mr. Cooke:

I am writing you on a non-business matter, the subject of meteorites. Collecting them is my hobby.

I have been in Tishomingo several times lately in connection with two large iron meteorites which a boy near there accidentally found in January.

While talking to Mr. Hal Stamps there yesterday, with Mr. Melvin White and Hal's son also present, some one said you had a specimen you thought was a meteorite.

May I ask you to tell me about it, if this is so? The enclosed circular will further explain the subject, and I hope I shall hear from you about the piece you have.

Sincerely,
