Mr. Oscar Morning
Fort Worth, Tex.

Dear Mr. Morning:

I have just talked with Mr. Littlepage and he says that Tuesday April 13. will be fine from 10:30 to 11:00 A.M.

I did not know whether or not you wanted more time than that, but that seems to be the time they have scheduled for activities other than classes.

I hope this is satisfactory to you.

Sincerely
Hal
