Memorandum of dates

Lishanings, Okla.  
March. 26-1965

Mr. Oscar Morning  
Fort Worth, Texas.

Dear Mr. Morning:

I talked with the High School Principal, Mr. Lute Littlepage, and he says that they have a period each day from 10:30 to 11:00 for different meetings with no classes scheduled at that hour. He said they had a lot of things coming up at this time of year but if you could give him a weeks notice he felt sure he could schedule you for most any day. He would like them to possibly move some other activity that might be scheduled for that date.

He said he would like to have you. If you can let me know when you expect to be here I will contact Mr. Littlepage and call you.

Sincerely

Hal Stamps
