APPLICATIONS FOR RESEARCH GRANTS

Applications for research grants will be due before November 15. Those interested may obtain the needed information from the office of Dean Moore, Chairman of the Faculty Research Committee.

REQUEST FOR SPRING SCHEDULE

Heads of all departments are requested to submit to Dean Moore's office as soon as possible a schedule of classes for the Spring Semester. Before the schedule is typed for submission, please see the exact form used on the fall schedule sheet, and arrange the schedule by subject heading, course number, a space for section number, hours and days of week, room and name of instructor. Please make your copy exactly according to the printed schedule form. Otherwise it will be returned to your office for placing in proper form. Please have typed on 8½ X 11 white paper, using double spacing. Start a new page for each subject such as Biology, Geology, Spanish, French, etc. We hope to have all copy in by November 1, and if not, it must be in before November 15.

Scheduling Committee

CONCERNING MIMEOGRAPH SCHEDULE

Faculty and all university staff members are reminded that mimeograph stencils must be in the mimeograph cabinet by 9 A.M. on MWF to be completed on the same day, and must be in by 10 A.M. on TTS to be completed the same day. We should not expect any quicker service. To ask more is unfair to the operator. It is suggested that materials to be used for mid-semester tests be turned in several days before needed, if possible.

FAILING GRADES TO BE REPORTED AT MID-SEMESTER

Attached to this week's faculty bulletin is a copy of the report slip to be used for each student who is failing at mid-semester. These slips are available at the Registrar's office. They are due in the registrar's office before 9 A.M. on Monday, November 22. Grades are to be based on work to November 15; including at least one test or examination. Passing grades are not to be reported until the end of the semester.
