### AN URGENT REQUEST OF DEANS AND DEPARTMENT HEADS

All deans and department heads who are charged with the responsibility of petition sheets are urgently requested to place in the hands of the registrar all petition sheets on candidates for degrees to be completed as of May 29, 1949.

Now that the spring registration has been completed, you should know who are the candidates for May 29 graduation and if these are forwarded promptly, brought up to date as far as the close of the fall semester, each one will be checked at the earliest possible date and a tentative list will be prepared.

Already the office is being besieged with requests for the names of these candidates and your cooperation will be appreciated. These lists together with the petition sheets should be reported by next Monday, February 14, or not later than February 15.

S. W. Hutton, Registrar
