### CANDIDATES FOR GRADUATION, MAY 29, 1949

The list of candidates for graduation May 29, 1949, is now in hand and is being checked as rapidly as possible. Wherever a problem arises, the student is notified promptly and a carbon copy of the letter is sent to the head of the department or the dean who turned in the name. We feel quite sure of the largest graduating class in the history of the institution, judging from the list of names handed in. The master's candidates and those to receive the B. D. degree have been checked and the reports sent to the deans of these two schools. We cannot hope for even a tentative list of Bachelor's candidates to be ready for publication before March 15 or probably a week later on account of the slow process of detailed checking on these petition sheets.

S. W. Hutton, Registrar

### ROVING SCHOLARSHIP NOMINATIONS

Applications for the Dallas T.C.U. Woman's Club \$250 Roving Scholarship should be in my hands by March 15, and will not be accepted after April 1. Teachers who wish to write a letter of nomination for a student will please read the appropriate section on page 32 of the general catalogue, and submit their nominations to me as early as possible. The award is made on the basis of the student's scholastic record, leadership, and character.

Jerome Moore  
Chairman, Scholarship Committee
