To all faculty:

The Southwest Council of student Christian Associations in cooperation with Southern Methodist University and the Texas Council of Church Related Colleges, will conduct a faculty consultation on Religion in Higher Education for all colleges in Texas, Arkansas and Oklahoma on the Southern Methodist University campus and April 30th. and May 1st.

We are exceedingly interested in improving the environment and enriching the religious program on the T.C.U. campus. If you share our interest, won't you please attend all the sessions possible listed on the enclosed program, so we might take advantage of the best training and experience. Newly inspired, educationally expanded, cooperatively working, we can make progress.
