CONCERNING 9:00--Monday Absences

A notice should have been in the Faculty Bulletin last week to the effect that the Assembly Committee had approved a student assembly for 9:00 to 10:00 on Monday, May 2. I failed to submit this notice. Faculty members are asked, therefore, not to mark as absent a student who was not in class from 9:00 to 10:00 on Monday, since the students were in the clear, although I was not.

MEETING OF FACULTY RESEARCH COMMITTEE

The Faculty Research Committee will hold its Spring meeting in Dean Moore's office at 3:00 P.M. on Monday, May 16, to consider applications for grants-in-aid under the joint sponsorship of T.C.U.-Carnegie Foundation for the Advancement of Teaching. Members of the Committee are asked to read these applications before May 16, and any applicants who have not turned in applications are asked to do so before May 16.
