

PLANS FOR SECOND TERM REGISTRATION

New students will register Monday, July 18, and students now in attendance may drop, add, or change courses on that date.

Tuesday, July 19, second term classes will begin.

Students who were registered for the entire summer, 12 weeks, and need no changes, are not required to re-register or to report for any activities on July 18. All Department Heads are urged to keep their offices open all day, July 18, to be ready for conference and to assist in registration in relation to new students. (8:00 AM to 12:00 and 1:00 to 4:30 PM)

The IBM punched cards will not be necessary as far as the teacher is concerned, as there will not be many new students and the cards will be pulled in the Tabulating Office.

THE LIST OF AUGUST CANDIDATES FOR GRADUATION

A tentative list of candidates for August graduation is being published in the SKIFF this week. All deans and department heads are requested to check the list for possible omissions or for names that should be removed from the list. This list has been made up from the petition sheets sent in. The statistical sheet showing detail will be issued in about three weeks. Those who are at this time short on grade points are being notified regarding the need that they may clear before the end of the summer if possible. About 360 names are on the list thus far, the largest August class on record.
