

PRE-COUNSELING FOR VETERANS JULY 25 THROUGH JULY 29

There will be a pre-counseling program for Veterans only from July 25 through July 29, for the purpose of preventing interruption of subsistence pay in the Fall.

Veterans will see their major professor or his designated representative.

A form will be made available on which the tentative courses and semester hour load will be listed.

This is to be signed by the Veteran and the department head of his designated representative.

This will be taken to room 205 where the proper papers will be processed.

--Registration Committee

NOTE:--The pre-counseling program described above is not an arbitrary action by the Registration Committee. It is necessary to protect T. C. U. veteran students from having their subsistence checks delayed next fall.
