CONCERNING MIMEOGRAPHING SERVICE

The amount of mimeographing which is being done for teachers and departments is reaching such an alarming proportion that we must ask all to restrict their demands to what is reasonable to expect for the carrying on of routine processes, such as examinations, etc. Any unusual mimeographing such as syllabi, booklets, cards, etc. to be used as substitutes for books or printed material should be approved before submission to the mimeograph room.

Stencils are now stacked up two feet high and the operator is working overtime. PLEASE! Under no circumstances should one expect to get mimeographed material back the same day as submitted. Please give several days for processing.
