FINAL ROLLS

A special set of rolls listing those who are to receive degrees, August 28, will be sent to the teachers Aug. 19. Be sure to preserve these and send in these grades on students who are to graduate August 28, to the Registrar's Office, not later than 9:00 a.m. on the morning of Aug. 25. Failure on the part of anyone to meet this close schedule will make double work for those who follow through on these items. Examinations on those who are graduating may be given at the discretion of the teacher not later than the afternoon of August 24 in order that you may meet the above schedule.

Final grade sheets on all students attending during the second term of the summer will be sent to the teachers on the 22nd of Aug. The final examinations are to be given on the 26th. at the regular class period, using also the morning of August 27, if necessary, and the final grades on all students are to be sent to the Department heads by 9:00 a.m. Monday, August 29, and in turn sent on to the Dean by 10:00 that morning. The Deans will retain the second copy of each and will send one copy to the Registrar's Office by noon on that same day, August 29. Your cooperation in meeting this schedule that we may serve our patrons promptly will be appreciated.

S.W. Hutton, Registrar

PLEASE NOTE

The attention of all department heads and student counselors is invited to the fact that beginning with the fall term it will be possible for any student with a voice or articulation defect to receive individual clinical attention in the Speech Clinic, Fine Arts Bldg. Such students should be registered for Speech 01, an arranged course, which may be taken for no credit or one-hour of credit. Severe disabilities, as stuttering, should be registered for credit; less severe cases, as articulation problems, for no credit.
