

Deport Texas

Sept 16 - 33

Mr. Oscar Manning

Sir

Am sending you by mail  
a meteorite.

Understand you want to  
buy one or more  
one of my neighbors has one  
about the size of this one.  
About the price from what  
I can learn it should be  
worth about four or five  
dollars.

Let me hear from you  
after you have tested it.

Respt yours

A. H. CROSSOY,  
DEPORT, TEX.
