Dear Sir:

In regard to the  
Metewite I found - It  
on the Jno. G. Wright  
farm. South of W.A.  
Gifford's land.

May 4<sup>th</sup> 1934 -

I am not sending the  
small one, as it belongs  
to my Brother. He found  
it on the same farm  
But a different location  
guess he will send it  
to you at a later date.

Very Truly yours.  
Mrs. Laura Dunn.
