METEORITES

Office 1955 Fairfax Street  
DENVER

August 5, 1933

Mr. Oscar E. Monnig,  
312 W. Leuda,  
Ft. Worth, Texas.

Dear Mr. Monnig:

The Deport specimens are of the  
medium octahedrite variety, showing good Widman-  
statten figures.

I am returning your check since I  
shipped the specimen collect.

Yours very truly,

H.H.Nininger
