Mr. Jack Castleman,
Deport, Texas.

Dear Mr. Castleman:

I enclose my check for \$8.25 in payment of
the two meteorites you just sent me. Thanks.

Will you please put a notation on the enclosed
card telling me where you picked these up? You can state
on whose farm or about how far and which way from the
Shadowland store. I am trying to keep track of the area
over which these are found, and will appreciate this help.

Yours sincerely,
